Application No.: 10/560,316  
Response and Preliminary Amendment dated March 12, 2010  
Reply to Restriction Requirement of November 13, 2009

**Response to Election of Species Requirement**

In response, Applicants elect, without traverse, the invention of Group I, relating to claims 1-38, drawn to a disc comprising a data portion located properly by a start position causing a first reader to fail and a second portion located by an actual position that allows reading.

Applicants reserve the right to file a divisional application directed to the subject matter of the non-elected claims prior to the termination of proceedings in this patent application.
